The PettCo is an innovative project with six public courtyards at Pettenkofferstraße 16–19. A historic factory building, a Wilhelminian-style residential building and a sustainable new building form the framework for a new, colorful place in the middle of Berlin-Friedrichshain.

The new quarter is transforming an area of around 15,500 m<sup>2</sup> and will offer a mix of rental apartments, commercial housing, restaurants, retail, and workplaces.

Spaces to work - indoor and outdoor. All spaces have a special, unmistakable charm, and offer a wide range of flexible spaces or airy places to think and create. Specifically designed open-air workstations are being created in one of the courtyards, as well as on the roof terraces.

The approx. 200 to 520 m<sup>2</sup> of commercial space on the ground floor and first floor offer a wide range of possibilities: Café or restaurant? Yoga studio? Workshop? In any case, there is plenty of room for enjoying life here.

# New Berlin Courtyards

Photo: Courtyard in Berlin-Mitte

Each of The PettCo's six courtyards is a reinterpretation of Berlin's historic courtyards.

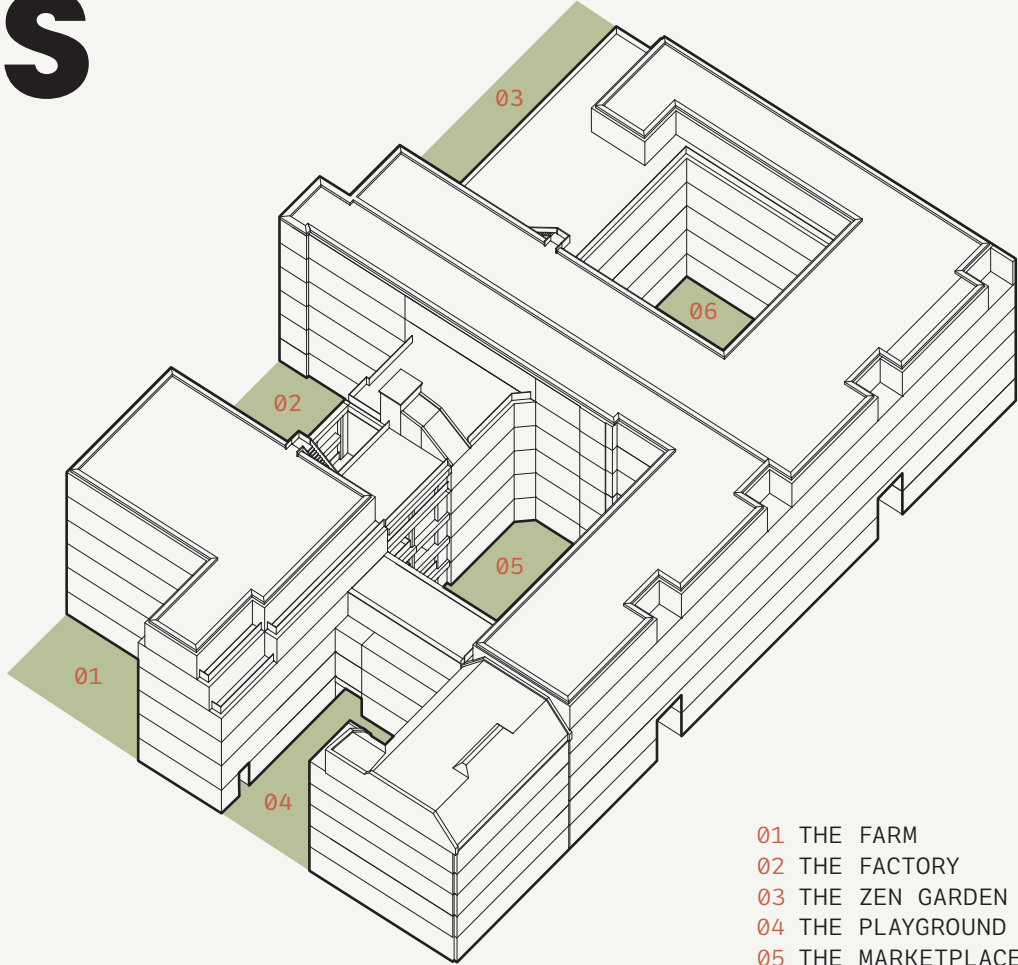

The "Factory" reflects the industrial spirit of the metropolis at the beginning of the 20<sup>th</sup> century. The "Zen Garden" embodies the tranquillity that a courtyard offers in the middle of a big city, and the "Marketplace" illustrates the togetherness and exchange of people. The "Playground" is a place to have fun. The "Stage" offers suitable space for events. And the "Farm" creates opportunities for urban farming.

The PettCo is developing a variety of offers for residents and neighbors with the new public courtyards and invites them to help shape and bring a community to life.

# The Farm

**01**  
The sustainability concept also includes a courtyard dedicated to urban farming. The community can plant, garden and harvest together, depending on what is desired. Even small areas can contribute to biodiversity.

## 03

A green oasis will enhance this courtyard and give residents a place to retreat and to feel at home. Seating areas for relaxation make this courtyard a space of peace for the entire neighborhood.

# The Playground

04

A courtyard is also a place for play: Here you can swing, jump rope or kick a ball around and have fun.
